

## The Law of the Land

**Prof. Akhil Reed Amar was born in Ann Arbor, grew up in California, is a summa cum graduate of Yale and currently teaches at both Yale and the Yale Law School. His book illustrates how geography, federalism and regionalism have influenced some of the biggest questions in American law. He explains why our Constitution looks slightly different in California than it does in Kansas.**

### ***Wall Street Journal***

... an easy sense of humor.... We can all learn from following him on his travels across the continent."

### ***Library Journal***

straightforward, sometimes humorous prose ...a book that entertains and educates."

### ***Publishers Weekly***

shows how landmarks in American constitutional history can be viewed as products of topography....

### ***Kirkus***

A provocative, consistently interesting take on our constitutional history."
